

ALASKA WING
CIVIL AIR PATROL
UNITED STATES AIR FORCE AUXILIARY

MEMORANDUM FOR ALL UNITS

5 February 2010

FROM: Alaska Wing Stan/Eval

SUBJECT: Check Pilot Standardization Course & Mountain Flying Class.

1. Alaska Wing will conduct a NCPSC & Mountain Flying course on 19 March 2010. Classroom training to start 6 pm on March 19th, at the U.S. Department of Interior Aviation Office building at Lake Hood, 4405 Lear Court. Pilots not participating in the NCPSC will only be required to attend the Mountain Flying course and AK Wing Risk Assessment briefing. They are also welcome to attend the Alaska Aviation Weather vs. CAP Missions brief Saturday morning, March 20th @ 8 am.
2. Attendance at this course is by reservations only. All check pilot applicants and CAP Pilots attending the Mountain Flying course must pre-register with the Wing Administrator Officer, Crystal Norman prior to March 10th.
3. Contact Project Officer is Derwin Hammond, can be reached at derannH@msn.com, or cell at 507-250-0984.
4. Each check pilot applicant will complete the CAPF 5 written examination and aircraft questionnaire appropriate to the aircraft to be used for the flight check. These forms will be turned in to the Project Officer at the beginning of the course. Completion of the annual 60-1 on-line examination must be completed within 60 days of the Form 5 check ride. I would recommend you do not take it before 45 days of the course in case the check ride is delayed due to weather or other circumstances.
5. Pilots must bring their headset, flight suit, survival gear, CAP ID & 101 card, current FAA medical and log book with them.
6. Check WIMRS for the mission number and additional information.
7. It is anticipated the following aircraft will be available for flying during the scheduled mission course: C172, 182, 185, 206, DHC2 and GA8. It would be helpful if you would advise me or Crystal Norman the type of aircraft you want to fly.

Derwin Hammond, Maj. CAP
Stan/Eval Office
