

MISSION PILOT/MISSION OBSERVER GROUND TRAINING FEBRUARY 25—27, 2011

Location: Medallion Foundation
5520 Lake Otis Pkwy # 104
Anchorage, AK 99507-1777
(907) 222-3210

Time: Friday 1800 - 2100 (6:00pm - 9:00pm)
Saturday 0800 - done (8:00am)
Sunday 0800 - done (8:00am)

Eligibility: Must have completed Mission Scanner course. You can be working on your mission observer's training or mission pilot's training or already be a MO or MP and need a refresher. All course material is being taught from the National Emergency Services Academy curriculum.

Dress: Uniforms are optional. Casual

What to bring: notebook paper, pencils, highlighters, Anchorage Sectional, navigation plotter

Additional information: Lunch will be on your own. Sat and Sun will be long days so you might want to bring extra snacks. The Medallion Foundation will provide coffee and water.
