

ALASKA WING
CIVIL AIR PATROL
UNITED STATES AIR FORCE AUXILIARY

MEMORANDUM FOR ALL UNITS

22 March 2011

FROM: Alaska Wing Stan/Eval

SUBJECT: National Check pilot Standardization Course Schedules

1. Wing has received approval and funding for NCPSC's to be held in Anchorage and Fairbanks. Information for the Anchorage course can be found in WIMRS, Mission No.11-T-4777. Information for the Fairbanks course can be found in WIMRS, Mission No. 11-T-4778.

The Anchorage course starts Friday, May 13th, 7:00 pm at the Polaris Hangar, Merrill Field. Classroom courses continue on Saturday the 14th starting at 8:00 am until 11:00 am with flying to begin at 1:00 pm.

The Fairbanks course starts Friday, May 20th, 7:00 pm at the Fairbanks Squadron Hangar, Fairbanks Int'l Airport. Classroom courses continue on Saturday the 21st starting at 8:00 am until 11:00 am with flying to begin at 1:00 pm.

2. Attendance at the courses will be by advance reservation only. All instructor pilots, check pilots and check pilot examiners desiring to up-grade/renew their qualifications must complete the following prior to the start the course, CAP online NCPSC (this course is available on e-services), annual aircraft questioners and annual CAPR 60-1 test within 60 days prior to the Wing class and flying. I would recommend you do not take the CAPR 60-1 test before 45 days of the course in case the check ride is delayed because of weather or other circumstances.

3. Wing classroom courses will cover WIMRS, FAA Wings Program, Mt. Flying, AK Wing Life Raft use and care, AK weather conditions, AK Wing Supplements and Letters of Procedure as well as local area flight procedures, Risk Management and Safety.

4. Pilots must bring their own headset, flight suit, survival gear, CAP ID & 101 Card, current medical, FAA pilot certificate and log book.

6. Local CAP pilots desiring to attend the classroom courses will be accepted on a space available basis.

7. Registration for the course will be handled by Crystal Norman as listed below.
